## Cerebral Palsy International Sports & Recreation Association

07 April 2014

Dear Members

### **NAME OF THE SPORT: RACERUNNING**

The CPISTRA Executive Committee reviewed the name of the sport "RaceRunning" and its branding potential. It was agreed that two capital "R" letters will be used and it will be written as one word.

We appreciate the discussion and input received from members of the RaceRunning Committee and would like to encourage our National Members to use this spelling consistently in future.

With best regards

Koos Engelbrecht  
**PRESIDENT**
